I

Letter—from J. M. LACEY, Esq., A.M.I.C.E., Superintending Engineer, I Circle.
To—the Chief Engineer for Irrigation.
Dated—Vizagapatam, the 18th/29th July 1914.
No.—527 I./G.E.

I have the honour to submit herewith a plan and estimate amounting to Rs. 55,000 for building ten barge-shaped iron punts for your approval and sanction.

2. Necessity for these punts is explained in the report accompanying the estimate.

ENCLOSURE.

Report to accompany the estimate for constructing ten barge-shaped iron punts for the use of Godavari Eastern Delta.

	RS.
Amount of estimate	55,000

The marginally-noted wooden flats having become unserviceable owing to their constant wear and tear during the last 39 years, are proposed to be replaced by new iron punts. The estimate provides for constructing ten barge-shaped deck punts to replace them, as this type of punt has been found to be most useful in this delta. The demand for the punts is becoming so great that it is impossible to meet with it with the present number available. To overcome this difficulty a fleet of ten punts is therefore proposed. After the construction of these punts the wooden flats that are useless will be condemned and sold in public auction.

Number of flats.
82, 83, 84, 85, 86, 87, 88, 89, 90, 91, 92, 93, 94, 95 and 99.

23rd June 1914.

C. B. CONNELL,
Executive Engineer, Godavari Eastern Division.

II

Endorsement by the Chief Engineer for Irrigation, No. 4455 B/14-1, dated 27th September 1914.

Submitted to Government with the recommendation that the estimate received with the Superintending Engineer's letter read above be sanctioned.

W. M. ELLIS, Col., R.E.,
Chief Engineer for Irrigation.

To the Secretary to Government, Public Works Department
(Irrigation Branch).

Order--No. 490 I., dated 2nd October 1914.

The following estimate is sanctioned :—

Divided Head.
Irrigation.
42. Major Works
(Working Expense)
Gōdāvari Delta System.
Eastern Division.
5. Tools and Plant.
4. Navigation Plant.
Constructing ten barge-shaped iron punts.

	RS.
Estimate	55,000

2. This sanction is registered as No. 74 I. of 1914-15.

NOTES CONNECTED WITH G.O. No. 490 I., DATED 2ND OCTOBER 1914.

[SUBJECT.—*Estimate for constructing ten barge shaped iron punts for the use of the Godavari Eastern delta.*]

From the Superintending Engineer, I Circle, dated 29th July 1914, No. 527-I./G.E.

Under Secretary—
Joint Secretary—

Submitted for orders whether the estimate the necessity for which is explained in the report accompanying it may be checked for sanction. It is proposed to construct ten punts at an estimated cost of Rs. 5,500 each.

S.S.—11-8-14.

T.S.R.—12-8-14.

F. E. MORGAN—14-8-14.

Check.

W. J. J. HOWLEY—14-8-14.

The estimate has been checked. The rates fairly agree with the current schedule of the division.

M.V.—15-9-14.

R.S.—15-9-14.

Under Secretary—
Secretary—

An endorsement by the Chief Engineer for Irrigation and a draft order sanctioning the estimate are submitted. The draft order may, if approved, be circulated to the Honourable Member before issue.
